

LETŠENG DIAMONDS EDUCATIONAL SCHOLARSHIPS

Letšeng Diamonds, producer and marketer of world-class diamonds offers full scholarships to Basotho students who are currently studying or are interested in studying for tertiary qualifications (including Honours, Masters Degrees, etc). The scholarships are offered on courses that relate to the development of Lesotho's natural resources.

Through our all-inclusive scholarships and internship programmes, we are steadily producing and nurturing captains of Lesotho's mining industry.

The two (2) fields of study for which scholarship slots are available in the 2017 academic year are :

- Emergency Medical Care
- Instrumentation Technician

Applicants must:

Be Lesotho nationals,
Be less than 25 years of age for undergraduates.

Applications must be on the standard form which must be collected at Letšeng Diamonds Offices which are situated at Letšeng Diamonds House, Corner Kingsway and Old School Roads, next to the South African High Commission in Maseru. Application forms can also be downloaded from Letšeng Diamonds website on www.letsengdiamonds.co.ls.

The award of scholarship is subject to students receiving admission from a recognised tertiary institutions.

Closing date for applications is 30th September 2016.
